QUICK SHIP

EXPEDITED
DELIVERY
SERVICE

In the October issue we presented **Hamilton Medical's Quick Ship Expedited Delivery Service**. The E-Series Tables (Example—E2 S2 with Slate Blue top shown above) are all available on **Quick Ship**.

Our new color brochure awaits your browsing and easy 1,2,3 order process. (If you don't have a copy, e-mail us at sales@hamiltonmed.com and we'll e-mail a copy while placing some hand-outs in the mail.)

Step 1 is selecting the table your customer needs.

Step 2—Quick Ship E-Series Tables are set in motion the moment your order is placed. Within an hour or so of your order, the appropriate base is pulled from our "ready-to-go" warehouse and matched with the color top your customer prefers. Once top and base are connected, our quality assurance professionals perform one more review of your product and send it over to.....

Step 3— packaging and shipping.

It is as easy as 1,2,3! Even with our growing demand, we are shipping tables out, guaranteed within two (2) days of receipt of firm order. However, we can move them out faster, if needed.

The next time you need a traditional, manual exam table **fast**....call us for a QUICK FIX with our **QUICK SHIP Expedited Delivery Service**. Our number is 888-871-5600.

QUICK SHIP COLOR SELECTION

If you need E-Series tables QUICK, the base color available is a Chameleon (beige). Accentuate this neutral color with your customer's selection of five contemporary vinyl color tops. They are Emerald, Port, Clamshell, Slate Blue and Dewberry as shown below.

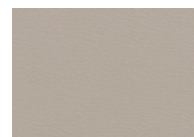

You'll find our comprehensive line of traditional, manual examination tables in Hamilton's Product and Color Brochure. Call us at 888-871-5600 or e-mail sales@hamiltonmed.com.
